

**BEECHFIELD MEDICAL CENTRE
BEECHFIELD GARDENS
SPALDING PE11 1UN**

Beechfield Medical Centre is an 18500 patient GMS practice operating from purpose built premises in the heart of the beautiful market town of Spalding in South Lincolnshire. We have a very strong clinical and administrative team, with 4 partners, 2 Salaried GPs, 4 Advanced Nurse Practitioners, a large Practice Nursing team - and boundless enthusiasm and commitment for everything that we do. We are high QOF achievers, score very well in patient and trainee feedback and work in an inclusive, supportive way in ensuring that we deliver the high standards that have come to be expected of us by our patients – and of which we are very proud.

We are assessed as “Good” in all domains by the Care Quality Commission and are fully engaged in the developmental and clinical work of our local Clinical Commissioning Group and GP Federation, with membership of the Governing Body of the CCG and Board of Directors of the Federation. The practice hosts an in-house physiotherapy service, carries out minor operations and is an accredited provider of AQP services for minor surgical procedures. We utilise the EMIS (Web) Clinical System, and operate an “on the day” triage system between the Duty Doctor and our Nurse Practitioners. We are part-dispensing, and a highly regarded training practice (with currently 3 ST3 trainees in situ) and have an active and supportive Patient Participation Group helping to ensure that we are listening to the needs of our large patient base.

The practice is growing as the population of Spalding develops –jointly through its relatively affordable housing stock, its ease of access to major local cities like

Peterborough, Lincoln and Leicester, and the work opportunities presented by its thriving agricultural and commercial industries.

Spalding itself is in a beautiful part of Lincolnshire, and has many virtues that make it an ideal appointment. It is easily accessible by road and rail from all parts of the country, some of the best schools – both independent and state – in the country are within easy reach and the local community is both bustling and vibrant. Thriving local markets, country pubs and restaurants, local festivals, the open countryside, a huge variety of sporting pursuits and opportunities – Spalding really does have it all.

For more details or an informal visit and discussion, please contact:
